Good Morning,

Attached are the directions for accessing the state sFTP to download your data. The sFTP login credentials to download the Voter Data that you requested are:

Host: [REDACTED]

User Name: [REDACTED]

Port: [REDACTED]

Password: [REDACTED]

Please download the data as soon as possible, as the password will expire and change, and the data will no longer be available after 11/30/2021.

Thank you,

Good Morning,

I have received the notice of payment and I am working on pulling your data together. I will have fresh data ready for you early next week.

In order to get the data to you we will need to use our sFTP, I will email you the login information once I have the data ready.

Thank you,

*Greg Bergerson*
