Do you have a request number? I'm not seeing any new requests in our system. Did you send it to the Division of Elections or Secretary of State?

Good Afternoon,

In order to receive a voter file link you'll need to go on our website [Elections.nj.gov](https://elections.nj.gov) and fill out the OPRA request form. Once your email is received the link will be sent.

The OPRA link is at the very bottom of our homepage in the dark blue area. You will see OPRA in white letters on the left hand side. Click the link and it will take you to our State Request Form website. From there you'll select state request form. From the department drop down you will select State and from the division drop down box you will select Division of Elections.

Hi Joi,

Thanks for the reply. I don't see a form/process to request the data, how do I so?

Thanks for your help.

Good Evening,

There is no cost for the file. The voter history goes back ten years.

Subject: [EXTERNAL] Purchase of Voter Information

Hi,

I'm wondering if you can help me. I reaching out to purchase New Jersey's voter information for the 2020 Presidential Election, NJSA 19:31-18.1 2.b. explains that there is a cost for this.

I have two questions:

1) How do I purchase the data, arrange payment, etc?

2) Does this include voter history or is it just voter registration? I am looking to know what registered voters voted in the 2020 Presidential Election. If that isn't included in this data, how would I obtain it?

Thanks a ton in advance, I really appreciate your help.

Best Regards,
